Sheriff's Sale.

Discased Texas Cattle.

Much excitement exists in and about Maryville on account of the appearance recently there of the Texas cattle tever. It first made its developments there on Saturday, the 19th of July, and up to the present writing quite a number of cattle have died. It appears to be fatal in every instance so far. The discase came there by the shipment of Texes cattle, direct from Texas by a Mr. Chase, who has been in the cattle Thursday, the 21st day of August, 1873, Thursday, the 21st day of August, 1873.

UNIVERSITY OF THE OF MISSOURI

COLUMNIA, HOONE COUNTY, Mo. July 10, 1873. Several have been opened, and some have their livers filled up with clotted blood, others their bladders. The discusses is called by some the murrain, while others claim it to be the Texas fever, which latter, however we hardly believe to be the case. In the midst of so much uncertainty, it is to be hoped that a remedy can be found to stop the fatal effects at least of the disease."
